James Gottinger, District Administrator \* Warren Flitcroft, Business Manager \* Donna Jaeger, Director of Student Services

To Whom It May Concern:

I am writing this letter to enthusiastically recommend Fontana Frazier who I have had the distinct pleasure of knowing as a marketing and business student and golf coach for the past three years. She has taken the Marketing I, Marketing II, Sports and Entertainment Marketing, and now Advanced Marketing courses at Badger High School.

As a student, I can count on Fontana to perform any task that she is assigned with care, accuracy, and her best effort. She consistently has demonstrated punctuality, initiative, and excellence in her work for me. I can routinely give Fontana a list of tasks to accomplish and she will need very little supervision or direction to complete her assigned duties. She has a tremendous work ethic and cares very much about doing the job right. This is evident by looking at her demanding course load including AP Human Geography to Honors Anatomy and Physiology. She has done all of this while maintaining a 3.4 GPA.

Being involved in our community is an important part of Fontana's life. Students like her with a passion for service are hard to find. She has demonstrated this time and time again by volunteering at her church, participating in multiple mission trips, and completing her senior service project. All of these experiences have helped Fontana become a well-rounded person who can communicate with a variety of people.

In addition to being a DECA member and outstanding student, Fontana has participated in a variety of other activities at Badger. She is very passionate about dance, having danced competitively for studio over an hour away from school. She also has been an important part of our golf team, leading by example while out on the course. She has demonstrated great leadership skills by being a part of our student mentor program, Leadership Dynamics, and while working at Gordy's Marine Boat Rental.

It is very rare to see a student with such a passion and determination for her future career plans, but Fontana has worked for years to prepare to be successful. Please consider Fontana to have my highest recommendation. She is a fantastic young woman and I know she has fabulous things in store for her. If you have any further questions about her qualifications, please contact me at Badger High School at (262) 348-2000 extension 2696, at home at (262) 295-8081, or by email at [phil.huff@badger.k12.wi.us](mailto:phil.huff@badger.k12.wi.us).

Sincerely,

Phil Huff
